A Book Drive to Benefit Terry Children's Center

This February join Governor Markell, the Department of Services for Children Youth & Their Families, the Department of Health and Social Services and Delaware Libraries as they collect donations for the residents of the Terry Children's Center. Your new and gently-used books (for ages 6 – 12) and family-friendly DVD's can be dropped off at the Wilmington, Hockessin, Newark, Dover, Bridgeville and Millsboro Public Libraries.

Follow our campaign through social media using #helpDE and #KidsDE on Twitter, Facebook, Instagram and Flickr.

For more information on the Terry Center, visit
